MISSION

The SAN PEDRO ♥ FESTIVAL OF THE ARTS (formerly the SP TriArt Festival) is a free family event featuring dance, music & crafts. For seven years the Festival was in the Ports O'Call Village on the waterfront, and this year due to the renovation of that area moves to Crafted at the Port of Los Angeles. This will be its 11th year. When the TriArt Festival moved to Ports O' Call Village it helped to draw in thousands of new spectators, performers, and vendors to showcase San Pedro as a center for art. Original founder, Joe Caccavalla, envisioned the dance, music, and visual arts/ crafts as the heart of the festival to foster art appreciation. After his death in 2012, the producers reformed as SAN PEDRO ♥ TRI ART Festival and since then our audience attendance has multiplied by the thousands along with increased recognition. It has become best known for its dance performances, also gaining increased recognition each year for its music. Our company, Los Angeles Choreographers & Dancers (LA C&D), had previously been the non-profit fiscal receiver for the festival, and we applied for and received a festival grant again from the Department of Cultural Affairs, City of LA, Festival Grant Funds from Los Angeles County Supervisor Don Knabe which will be continued by new County Supervisor Janice Hahn, and for the 5th time we received a Music in Public Places grant from the LA County Arts Commission. In-kind donations are again promised from Joe Buscaino Los Angeles City District's office of Jacob Haik, local district director. Many businesses contributed items including Alvas for the dance flooring, Peoples Place, Peter Benjamins (sound) and Jayme Wilson. Many of you have contributed help with our marketing, and gifts for the hourly free drawings! Thanks to our past and present funders and donors, the SAN PEDRO ♥ FESTIVAL OF THE ARTS is able to thrive another year and bring the vibrant San Pedro community quality art performances and unforgettable sites and sounds.
